

CRYPTOBUBBLES

Whitepaper

The Cryptobubble Project is a highly exclusive, strictly limited, art project by the vienna/austria based, multiple award winning and „Lürzers 200 top photographers“ listed photo artist and advertising photographer Robert Staudinger.
Cryptobubbles are Staudinger's very first appearance in the NFT-Space

The CRYPTOBUBBLES will emerge in 3 waves:

CRYPTOBUBBLES₁ with 11BUBBLES with 5 NFTs each. (=55NFT's) a' 0.6 ETH

CRYPTOBUBBLES₂ with 7BUBBLES with 5 NFTs each. (=35NFT's) a' 0.7 ETH

CRYPTOBUBBLES₃ with 5BUBBLES with 5 NFTs each. (=25NFT's) a' 0.8 ETH

CRYPTOBUBBLES₃ will come with an additional feature: they will float in a smooth animation.

In Summary 23 BUBBLES / 115 NFT's

The special utility of CRYPTOBUBBLES is the option to burn any 4 CRYPTOBUBBLE NFT's to claim one physical copy of the strictly limited original BUBBLE Project.

The physical BUBBLES are limited to 3 gallery prints per image.

One copy per image is reserved for claiming by the CRYPTOBUBBLE project.
(first come, first served)

The print comes framed and manufactured with the extremely color vivid, durable and long lasting Chromaluxe Metal Print process and is complemented with a proof of authenticity by Staudinger's representing gallery zs-art in Vienna.

The physical size is determined in the NFT's metadata and is specified with either 75cmx93cm or 50cmx62cm.

The physical BUBBLE can be collected in Robert Staudingers studio by appointment. or at the CRYPTOBUBBLE happening (date TBA)
